

Christian Aid and our partners already have experience of limiting the spread of infection during the Ebola crisis, and we will build on this experience to continue to stand together with communities living in poverty during this period under the coronavirus.

If infection rates start to develop as they are in Europe, then people in poorer countries will be hit even harder. Many are already living with reduced health resilience because of extreme poverty, or in overcrowded humanitarian camps and in countries which do not have the healthcare infrastructures needed to combat widespread disease.

We will be working on the ground to help prepare communities to limit the impact of Covid-19. Please pray for us in this vital work, and support us where you can by making a donation.

Christian Aid Week brings people together as one community against global poverty and injustice.

This Christian Aid Week (10-16 May), please:

- **Give** generously (details of how to give are overleaf).
- **Act** to call for a [New Deal for Climate Justice](#) to help restore creation and build a world where everyone can thrive.
- **Pray** for a radical change of heart for politicians, and that, as a global community, we will care for people living in poverty.

**Stand together this Christian Aid Week
and help families fighting poverty and injustice.**

- If you can donate online, then please go to caweek.org to make your donation.
- If you prefer you can give over the phone: please ring **08080 006 006** with your credit / debit card handy.
- You can make a bank transfer to account number 58131108 at bank sort code 56-00-49.
- Or you can send a cheque made out to **Christian Aid** to the Exeter Christian Aid Treasurer at 46 Heavitree Rd, Exeter, EX1 2LQ.

Whatever you are able to do for Christian Aid this year, your help will be invaluable to our partners across the world.

Thank you.

Christian Aid Week
10-16 May 2020

Christian Aid Week
10-16 May 2020

2020 is a year like no other. Instead of asking you to fill a red envelope with coins or notes, this year we are limited in what we can do to invite donations.

But the need is greater than ever.

- Climate change makes life hard for farmers.
- Covid-19 makes life harder still.

In countries where there is already much poverty, the two together can be overwhelming.

What can we do in the face of so much need?

Please do something!
